

Information regarding Direct Debits and recurring card payment agreements.

You will need a UK bank account to set up a Direct Debit. Send the mandate to the BES office and we will forward it to your bank. The Society will inform you of the amount and the collection date at least 10 working days in advance of your account being debited. You can cancel a Direct Debit at any time by simply contacting your bank or building society. Please also notify us.

Recurring card payments can be set up via the application form. You will be able to update your card details by logging onto the RBS WorldPay website with the password that you receive when you make the agreement.
