Travel Information:

By train

Regular services operate between Sheffield and London St Pancras (2.5 hours), Birmingham (1.5 hours), Leeds (1 hour), Manchester (1 hour) and Nottingham (1 hour). For train information and timetables, visit the National Rail Enquiries website - www.NationalRail.co.uk

Once you arrive at Sheffield station you will be able to take a bus, tram or a taxi to the Octagon Centre or The Edge.

By bus

There is a regular bus service which operates from the city centre; from the station (Pond Street) you can catch bus route number 120 (towards Fulwood) getting off at Glossop Road/Clarkson Street bus stop for the Octagon Centre or Fulwood Road/Endcliffe Crescent bus stop for The Edge. Buses run approximately every 10 minutes and the journey takes between 10-20 minutes. You can also catch these routes when travelling between the two locations. Bus stops are marked with a red dot on the map below.

By tram

Sheffield's Stagecoach Supertram is an affordable and effective way of travelling between the city centre and the University of Sheffield. You can travel from Sheffield Station to the University of Sheffield (for the Octagon Centre only) via the Blue route (towards Malin Bridge) and trams run every 10 minutes. You can buy a ticket once on board the tram. It takes approximately 15 minutes to travel from the city centre to the University of Sheffield. Tram stops are marked on the map below.

Further information regarding public transport in Sheffield can be found via the Travel Yorkshire website - <http://www.travelsouthyorkshire.com/bustramandtrainessentials>

By taxi

If you have booked accommodation on campus when registering your attendance at the Annual Meeting and plan on taking a taxi from the train station, we recommend informing the taxi driver that you would like to be taken to **The Edge at the Endcliffe Village** (Endcliffe Crescent/junction with Endcliffe Avenue) rather than the University of Sheffield as your accommodation is located here and The Edge is a 20 minute walk from the University campus.

A large taxi rank is situated outside the train station and it is a 15-20 minute journey from the station to The Edge or the Octagon Centre; however journey times can be substantially longer during busy periods.

Below are some suggestions of taxi companies and their contact details:

Sheffield City Taxis 0114 239 3939
Mercury Taxis 0114 266 2662
S1 Taxis 0114 255 5111

If your journey involves travel by air, there are three main airports which have good transport links to Sheffield - Manchester, London and Leeds Bradford. Regular flights are available from a huge number of European and International cities. Each of these airports is serviced by an excellent train service to Sheffield city centre.
