

# ADVERTISING RATE CARD 2023

BRITISH  
ECOLOGICAL  
SOCIETY

Established in 1913, the British Ecological Society is the oldest community of ecologists in the world and Europe's largest.

We offer a limited amount of advertising in The Niche, our full-colour, quarterly membership magazine, which is sent to over 7,000 ecologists in 119 countries.

Advertising can be booked on an issue by issue basis, but substantial discounts are also offered to regular advertisers. We only offer full page adverts.

The Niche is published in March, June, September and December.

Our next Annual Meeting takes place at the Belfast ICC 12-15 December 2023, which will attract more than 1,200 delegates from around the world.

Get in touch now to secure your place in The Niche or to find out more about sponsorship, advertising and exhibition opportunities at BES Annual Meeting.
