

The background of the entire page is a light blue pattern of various sized, rounded rectangular shapes, resembling bacteria or microbes. In the center, there is a larger, circular cluster of these shapes, creating a focal point for the title.

Worlds *within* Worlds

Microbial Ecology
Workshop

Thursday December 15th, 0900-1400

University of Liverpool
Seminar Room 1, Sherrington Building
Ashton Street, L69 3GE

Come along and join us for a series of talks and discussions with microbe researchers working in the plant sciences, microbiology, genomics and more.

Free to attend. To book your space visit:
tinyurl.com/worlds-w-worlds

Tea, coffee, and lunch, provided.
