

The **Irish Ecological Association** (IEA) is pleased to announce the

1st Ecology & Evolution Ireland conference

25th & 26th November 2016
IT Sligo

Please save the date

For further information contact:
Dr Caroline Sullivan sullivan.caroline@itsligo.ie

Conference programme will include:

- ▶ International and national plenary speakers
- ▶ Postgraduate-focused events
- ▶ Workshops
- ▶ Field trips
- ▶ Networking opportunities

The IEA aims to strengthen the discipline of Ecology and the engagement of ecologists in interdisciplinary fields, increase visibility of the discipline of Ecology in Ireland and raise our international profile.

Email **IrishEcologicalAssociation@gmail.com**
if you wish to be added to the mailing list.

Please email abstracts before 30 September 2016.
